Due to High Water Levels and Abnormally Strong Current
Caused by Recent Runoff
Closure Started Thursday, February 14 at 11:00 AM**

SOLANO COUNTY – The California Department of Transportation (Caltrans) has closed the J-Mack Ferry on State Route 220 (SR-220) in the Delta until further notice due to high water levels and abnormally strong currents.

The J-Mack was closed on Thursday, February 14 at 11:00 AM.

Caltrans will continue to monitor the water levels and make an announcement as soon as a return time for the J-Mack Ferry to return to service is determined.

The J-Mack Ferry runs on a cable across Steamboat Slough between Ryer Island in Solano County and Sacramento County. And provides around the clock service on SR-220.

During the closure, motorists are advised to use the Real McCoy Ferry, also known as the Cache Slough Ferry along State Route 84.

For the latest, please call the Caltrans Ryer Island Ferry Update Line at (510) 622-0120.
